

SPS-E024-81
29 April 1981

MEMORANDUM FOR : Director of Data Processing
FROM : [REDACTED] STAT
Deputy Chief, Special Projects Staff/ODP
SUBJECT : Special Projects Staff Weekly Status
Report for Week Ending 28 April 1981

1. SAFE

On 27 and 28 April a [REDACTED] subcontractor
gave a course on ALGOL and Extended ALGOL to CSPO personnel.
ALGOL is the standard language for [REDACTED] systems. STAT
STAT

2. ADSTAR

STAT [REDACTED] delivered a revision of Volume III on 24 April.
It was subsequently discovered that a large number of the revisions were lost because of a series of word processing errors.
Revised revision is scheduled for delivery on 1 May. STAT
